€11 billion

Total EU humanitarian aid funding

€918 million

Under remote management

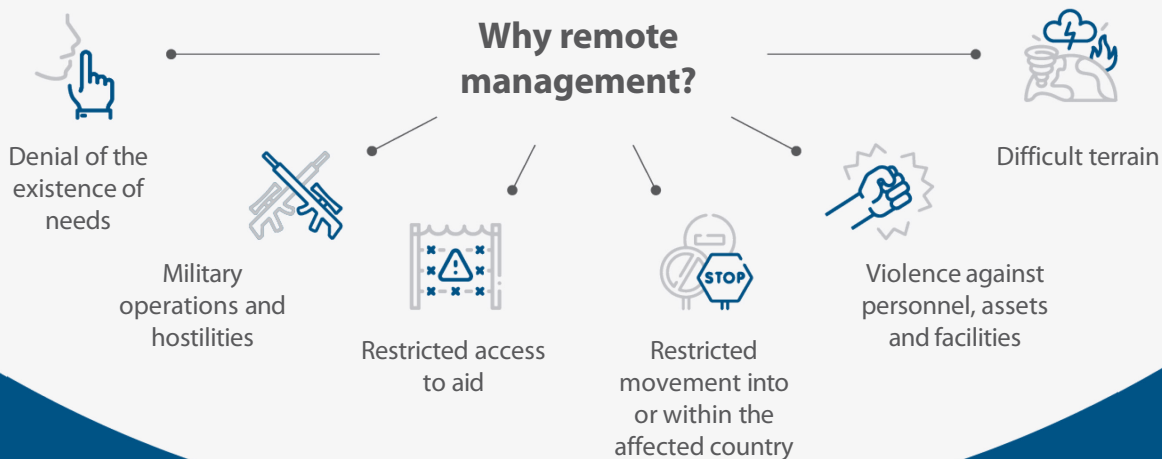

In
10
Countries

164

Approved actions

What did we find?

Specific risks not properly covered by the control systems.

Presence in the field strengthens Commission oversight, but gaps in monitoring and reporting.

Not all partners in the delivery chain covered by certification.

Useful framework to deliver life-saving aid in hard-to-access areas, but weaknesses in design and implementation.
