### **Question 1**

Could you please confirm that we have to submit a separate tender for each lot?

Please submit a separate tender for each lot. You can submit a tender for Lot 1 "Provision of external consultancy services on export performance" (as described in Annex 2) and/or for Lot 2 "Provision of external consultancy services on internal devaluation" (as described in Annex 2). Please see also Annex 3 (Model Offer), where you find the two price schedules for the two lots.
