

#### Question 1

Please clarify how to fill in the financial offer for Lot 1. Does the Price refers to monthly, yearly price or to the price for 5 years (60 months) ? What about the maintenance and installation costs? Those positions are not included in the financial offer, shall we add them?

#### Reply 1

The price to be indicated in the financial offer for Lot 1 is **all-inclusive for 60 months** (5 years), The price shall include the rental costs of each requested machine for 5 years and the costs of all the related services mentioned in point 7 of the tender specifications, such as:

- delivery and installation costs
- preventive maintenance costs for 5 years
- corrective maintenance costs for 5 years
- training costs and costs of machine documentation

Please note the following corrigendum to Annex 2 Tender specifications, part B, point 7, last sentence under bullet "Maintenance":

*"The tenderer is requested to provide a fixed price for preventive maintenance per year in the Price schedule."*

shall read

*"The price for the preventive maintenance shall be included in the total contract price."*

This corrigendum will be posted on etendering as soon as the platform is available.
