

Question 2

Concerning the cardiovascular machines, please clarify if we need to give quotation for each machine (C5, C6, C7, C8 and C9) or do we have to choose one of these machines and provide our quotation for it?

Reply 2

In line with point 6 of the tender specifications, bullet Cardiovascular machines, you shall give quotation for one machine from the five machine choices indicated in the tender specifications under points C5, C6, C7, C8 and C9.
